WEDDINGS AT THE INNER TEMPLE

The Inner Temple is one of four Inns of Court with its estate dating back to the 12th Century and is part of the Temples Conservation Area, which has one of the largest concentrations of Grade I listed buildings in London.

Set within historic grounds and with beautiful spaces that flow perfectly for weddings, it is the ideal backdrop for your big day.

You can choose to hold your wedding reception or the full day with licensed spaces to hold civil ceremonies.

The unique location of the Inn affords privacy and tranquillity away from the hustle of the City of London and is moments from the banks of the Thames, with views over the famous river from the Garden.

In the lead up to your wedding, your dedicated Event Manager will work with you to ensure all details are thoroughly planned. With a wealth of experience, our team care deeply about bringing your vision to life.

THE ROOMS

Our wedding spaces are formed of four stunning rooms on the 1st floor and can be hired along with our outdoor spaces.

THE HALL

The grandest of the rooms and steeped in history. The Hall offers the wow factor on entrance with its high ceilings, oak panelled walls adorned with historic shields, paintings and silverware and glistening chandeliers.

In the evening the Hall transforms as the lights are dimmed for dancing. The dais is ideally positioned for your top table, band or DJ. Overlooking the Hall is the Gallery which is a great spot for photographs and videos of your perfect day.
