WELCOME TO THE INNER TEMPLE

For centuries, The Inner Temple has been at the heart of historic gatherings and prestigious events, crafting memorable experiences through exceptional food and drink. Our rich tradition of hospitality spans generations, creating a legacy that embodies elegance and sophistication.

Today, we continue to honour this tradition by offering an exquisite menu that celebrates the best of British cuisine, alongside an exclusive selection of fine wines and crafted beverages. Whether hosting grand banquets or intimate meetings, every detail is thoughtfully curated to provide an unforgettable culinary experience that reflects the heritage of our storied venue.

FOOD

The Inner Temple offers a spring-summer menu that celebrates the best of British cuisine with a modern twist. Our highly skilled and passionate team create hearty dishes using locally sourced, fresh, and quality ingredients, bringing a unique British fusion to classic recipes. Each plate is a testament to our commitment to delivering comfort, flavour, and excellence - perfect for savouring the season.

DRINK

The drinks menu at The Inner Temple is carefully crafted to elevate every dining experience. Sourced directly from trusted suppliers, our wine list also highlights exclusive selections from up and coming British vineyards. The Champagne is selected through an extensive tasting process, ensuring only the very best makes it to your glass.

Our Cellar Manager has expertly paired wines with the fine dining menu, so be sure to look out for these thoughtful suggestions marked with a \\ \&\ \.

In addition to our wines, we offer a refined selection of cocktails and are continuously improving our non-alcoholic options, ideal for themed parties or special celebrations, ensuring there's something unique for every occasion.

ESG STRATEGY

The Inner Temple is committed to raising the bar on sourcing standards across all elements of our operations. We focus on reducing emissions, using plant-based and locally sourced ingredients, and ensuring ethical supply chains. Our pledge includes reducing the carbon impact of our signature dishes, sourcing 100% cotton uniforms from certified sustainable sources, and exclusively using FSC-certified wood and paper products by the end of 2025. Additionally, we aim to meet Red Tractor standards for all fresh meat and buy all liquid milk from RSPCA-assured UK dairy farmers.

We are proud to partner with suppliers that share our values of sustainability and ethical practices. Our shell eggs are now 100% RSPCA-assured and sourced from producers like Chippendales and St Ewe, which prioritise animal welfare and carbon reduction. Additionally, we partner with Wildfarmed for flour, sourced from farms committed to regenerative agriculture, improving biodiversity, and producing resilient crops. Other key suppliers include Marr Fish for sustainably sourced seafood, Island Chocolates for responsibly produced treats, and Lake District Farmers for high-quality British meat.

While we align ourselves with broader industry goals, our specific targets reflect a commitment to sustainability through continuous improvement. Initiatives such as reducing food waste, minimising single-use packaging, and striving towards net zero emissions are essential to our approach. By focusing on sustainable sourcing, high welfare standards, and reducing waste, we ensure that every aspect of our food and beverage offering aligns with our goal of fostering a positive environmental impact.
