WELCOME TO THE INNER TEMPLE

For centuries, The Inner Temple has been at the heart of historic gatherings and prestigious events, crafting memorable experiences through exceptional food and drink. Our rich tradition of hospitality spans generations, creating a legacy that embodies elegance and sophistication.

Today, we continue to honour this tradition by offering exquisite menus that celebrate the best of British cuisine with a modern twist, complemented by dishes inspired by global culinary traditions. Paired with an exclusive selection of fine wines and crafted beverages, every detail is thoughtfully curated, whether for grand banquets or intimate meetings, to deliver an unforgettable dining experience that reflects the heritage of our historic venue.

FOOD

The Inner Temple offers an autumn winter menu that celebrates the best of British cuisine with a modern twist, influenced by flavours from North and Latin America, South and East Asia and continental traditions.

Our highly skilled and passionate team, led by Executive Chef Robert Lamb, create hearty dishes using locally sourced, fresh and quality ingredients, reimagining classic recipes with creativity and care. Each plate is a testament to our commitment to delivering comfort, flavour and excellence, perfect for savouring the season. Using British ingredients wherever possible ensures every dish is rooted in quality and provenance.

We also take pride in catering for a wide range of dietary requirements, developing creative and considered alternatives so every guest can enjoy the same exceptional experience.

DRINK

The drinks menu at The Inner Temple is carefully crafted to elevate every dining experience. Sourced directly from trusted suppliers, our wine list also highlights exclusive selections from up and coming British vineyards. The Champagne is selected through an extensive tasting process, ensuring only the very best makes it to your glass.

Our Beverage Manager, Tim Maggs has expertly paired wines with the fine dining menu, so be sure to look out for these thoughtful suggestions marked with a 🍇.

In addition to our wines, we offer a refined selection of cocktails and are continuously improving our low and non-alcoholic options, ideal for themed parties or special celebrations, ensuring there's something unique for every occasion.

ESG STRATEGY

The Inner Temple is committed to raising the bar on sourcing standards across all elements of our operation. We focus on reducing emissions, using plant-based and locally sourced ingredients, and ensuring ethical supply chains. Our pledge includes reducing the carbon impact of our signature dishes, sourcing 100% cotton uniforms from certified sustainable sources, and exclusively using FSC-certified wood and paper products by the end of 2026. Additionally, we aim to meet Red Tractor standards for all fresh meat and buy all liquid milk from RSPCA-assured UK dairy farmers.

We are proud to partner with suppliers that share our values of sustainability and ethical practices. Our shell eggs are now 100% RSPCA-assured and sourced from producers like Chippendales and St Ewe, which prioritise animal welfare and carbon reduction. Additionally, we partner with Wildfarmed for flour, sourced from farms committed to regenerative agriculture, improving biodiversity, and producing resilient crops. Other key suppliers include Marr Fish for sustainably sourced seafood, Island Chocolates for responsibly produced treats, and Lake District Farmers for high-quality British meat.

While we align ourselves with broader industry goals, our specific targets reflect a commitment to sustainability through continuous improvement. Initiatives such as reducing food waste, minimising single-use packaging, and striving towards net zero emissions are essential to our approach. By focusing on sustainable sourcing, high welfare standards, and reducing waste, we ensure that every aspect of our food and beverage offering aligns with our goal of fostering a positive environmental impact.

To reduce food waste and minimise our environmental impact, the Chef's choice range allows our team to maximise the use of seasonal and locally sourced ingredients while reducing waste.

Your guests will enjoy a thoughtfully curated menu designed to offer a fresh and sustainable dining experience.
